Two Propose Trailer Court Annexation

The possibility of changing an Antioch zoning ordinance to allow trailer courts was brought up after Marty Geertz asked the village board Oct. 21 if it would annex some 75 acres east of town for a trailer park.

Geertz told the board about his and his son Winton's quest to build the trailer park, which would be named Win-Mar Estate (after Geertz and his son).

"This would be a first-class estate, not a trailer park," Geertz told the board. In response, the board told Geertz to meet with Village Attorney Kenneth Clark to prepare an annexation petition.

Before annexation could take place, however, the village would have to change a zoning ordinance to allow trailer homes. Though no dates have been set, the planning commission and the zoning board of appeals would have to hear the proposal before the

board could take action.

The ultimate question, the board agreed, was, does Antioch want to allow mobile home parks. A public hearing was recommended. (Continued on Page 12A)

Antioch Man Gets 3 Years Off Sentence

Convicted burglar Jeffrey Kuechle, who was sentenced to seven years in prison Oct. 3 for violating his probation, got his sentence reduced to four years at a hearing before Lake County Circuit Court Judge William Block.

Kuechle, 23, of 40710 N. Grand Ave., Antioch, will receive credit for jail and probationary time he served in Illinois before fleeing to Minnesota in 1981.

Kuechle could be released in approximately one and one-half years.

To Speak On Antioch Tourism

A consultant to the recently formed Lake County Illinois Convention and Visitor Bureau, will speak on how to allocate funds to promote Lake County, particularly to the Antioch area.

Lynn Mallory will speak at 7:30 p.m. on Thursday, Oct. 24 following 7 p.m. cocktails and complimentary appetizers at the Tower Room above the Antioch Bowl.

The Antioch Chamber of Commerce and Industry asks that interested people call beforehand at 395-2233.

Border Residents Object To Cross Lake Campsite

Over 50 people from subdivisions both in Wisconsin and Illinois appeared at a Salem Town Board Meeting on Oct. 17 to voice almost unanimous objection to the proposed building of campgrounds on the site of the old Christian Camp on Cross Lake.

Those attending the meeting brought along petitions against the proposed campsite signed by 400 residents on both sides of the border.

Joe Veath, representing the Oakwood Knolls Property Owners objected to "any development that could be detrimental to our land values."

Residents from Salem cited the lack of a local police force as a prime reason not to encourage more traffic in the area.

Sue Aldrich, Lincolnshire, has propped the purchase of the land on Cross Lake and the building of the proposed campsite to the township board.

The main decision, if Aldrich goes through with the purchase and the proposal is up to the Kenosha County Board which has to decide on the issuance of permits and a zoning change. The township has the decision then of issuing a camping license and monitoring the sewer installations on the site.

Fatal Accident Injures Four Antioch Youths

A car driven by a 17-year-old Round Lake Beach youth sideswiped another car Oct. 19 killing a Chicago man. Four Antioch passengers in the youth's car were injured.

Johnny R. Strange, 17, of Round Lake Beach was charged with drunken driving and driving too fast for conditions after he lost control of his car on Rte. 12, near Lake Vista Terrace, north of Fox Lake.

Wladyslaw Ligas, 40, of Chicago, died after the 4:12 a.m. accident. His only passenger, 64-year-old Frank Shjedlock, was listed in satisfactory condition at Northern Illinois Medical Center in McHenry on Oct. 22.

Antioch youths injured in the crash are: Robin Rey, 16, who was listed Oct. 22 in critical but stable condition at the Milwaukee Regional Medical Center; Kenneth Kresen, 19, and Timothy Cook, 17, who were listed in fair condition at the Northern Illinois Medical Center on Oct. 22; and Thomas Quinn, 19, who was released Oct. 19 from Good Shepherd Hospital near Barrington.

Strange was also released from Good Shepherd Hospital Oct. 19.

State police said Strange was also cited for not having a valid driver's license and failure to reduce speed to avoid an accident.

Scavenger Hunt Set For Halloween Night

Glenda Tomaschik, director of Antioch Parks & Recreation has announced she is planning a Scavenger Hunt for Halloween Night. The idea is to produce positive entertainment on Halloween for all ages and present a physical fitness aspect, as everyone is on foot.

"It is also important for participants to know the village and if they don't now they will when it is over," Tomaschik said.

Ages 9 through 15 set off from the Village Hall at 4 p.m. and must be at McDonalds by 6 p.m. whether they have all of their treasures

or not. Their parents are instructed to pick them up from McDonalds at 7 p.m.

Ages 16 through 20 set off at 7 p.m. and will end at 9 p.m. The Adult Hunt begins at 8 until 11 p.m. at a chosen destination for a get-together. Anyone interested in participating in the hunt must sign up by Oct. 29 at 5 p.m. One may register over the phone by calling Glenda at 395-2160.

Everyone will hunt in groups of four. Costumes are welcome but it is recommended that no masks are worn. Come and join the fun on Halloween night!

Lutheran Church To Host Pastor

As part of its 20th anniversary celebration, the congregation of St. Stephen Lutheran Church in Antioch will be hosting its former pastor, Pastor Philip O. Laurin, Messiah Lutheran Church, Galva, Ill., will be at St. Stephen on Reformation Sunday, Oct. 27.

His sermon at both the 8 and 10:30 a.m. worship services will be: "The Church of the Folding Chairs." Special music and anthems will add to the festive celebration.

Pastor Laurin's wife, Amy, and their daughters, Kirsten, Karen, and Katy will also be present. An informal reception will be held between the services. There will be no Sunday school classes that day.

Former members of St. Stephen and others in the community who remember Pastor Laurin are cordially invited to attend the worship services and reception. No advance reservations are needed. The church is located at the intersection of Hillside Ave. and Rte. 59.

Win 8th Straight

Antioch Viking lightweights won their eighth straight win with a 39-0 score over Winnetka.

Antioch was paced by the running of Greg Loecher with 163 yards and four touchdowns and Keith Horn with 74 yards.

Antioch advances in the playoffs against the Lakeland Cardinals next Sunday.

ACHS To Continue CLC Night Class

The Antioch Community High School Board of Education, at its Oct. 17 regular meeting, approved the continuation of the College of Lake County/Antioch Community High School Extension Center Agreement. Under this agreement, the College of Lake County will continue to offer adult evening classes at Antioch Community High School (ACHS) on Monday and Wednesday evenings.

The board accepted the low bid of Pederson GMC for the purchase of a new van. Principal Arthur Blecke reported on the possible cost of installation of a well and septic system at Polley Field. Blecke also reported that ACHS had received a \$6,000 Fitness and Jogging Course Grant award. The fitness

and jogging course materials are scheduled to arrive and be installed later this fall.

The board approved a request from the Red Cross to designate ACHS as a shelter resource for time of disaster.

Pete Pekkarinen, director of Pupil Personnel Services, reported that ACHS presently has three students participating as foreign exchange students in the Rotary Outbound Program. Christine Kuehn, Anne Bates and Brian Pomrening are spending the current school year in Germany.

Pekkarinen also reported that seniors Jean Kim and Dennis Moore have qualified as semi-finalists in the 1986 Merit Scholarship competition based on the scores they received on the PSAT examination.

Slate Haunted House

"We promise you the scariest time of your life," states Steve Hadesman, one of the organizers of the Bridge House "Haunted House of Horror." It is being organized by the residents association of the Bridge House Chemical Dependence Treatment Program, a program of the Northern Illinois Council on Alcoholism and Substance Abuse (NICASA).

Guided horror tours will be conducted of the old house on Oct. 30 and 31, from 6 to 9 p.m. Admission for adults is \$3 and for kids under 16, \$2. (Parental guidance recommended for young children.) Bridge House is located at 3016 Grand Ave. in Waukegan on the grounds of the health department.

Literacy Hearing Held

The Illinois Literacy Council, chaired by Secretary of State and State Librarian Jim Edgar, held a public hearing on Oct. 21 in Grayslake to gather information about the extent of the illiteracy problem in Lake County and ways in which local literacy programs are working to address it. "The Illinois Literacy Council has held public hearings throughout the state to find out how we can help local literacy programs to address their specific concerns," Edgar said.

"A startling statistic from the State Board of Education shows that 30,076 residents of Lake County have less than an eighth grade education. The council wants to gather more specific information and determine how we can help existing literacy programs in the county to address the problem of illiteracy," Edgar said.

Demolition Takes Place

The demolition of Warren Twp. High School, in Gurnee, began after a Lake County Circuit Court judge lifted an injunction which was stopping the demolition work. The crews from Lake County Grading, in Libertyville, began the demolition process on Oct. 16. The high school was damaged by fire last December and citizen's have been in disagreement as to what road to take, rebuilding or repair. After many complications and days in court the Warren School Board began demolition so work can begin on a new structure.—Photo by Debbie Horve.

Sweet Adelines To Star In Antioch's Footlights

St. Peter Parish, Antioch, has announced the appearance of "SWEET ADELINES INC." at the upcoming Footlights presentation of "Let The Good Times Roll".

The Sweet Adelines incorporates members from both Lake and McHenry county. Each spring they compete in regional competition and in the fall perform in an annual show open to the public at Mundelein High School and will

be among the top entertainment offered at St. Peter's annual fundraiser "Footlights", running two consecutive weekends, Nov. 1 and 2 and 8 and 9.

The Sweet Adelines will be featured in "Dixie Dan's", one of 10 rooms of continuous entertainment. The director, Jim Arns, has been directing the chorus for two years. He has many musical accomplishments including being in a barber shop chorus himself, which

assures everyone of a wonderful evening full of their special music.

Admission is restricted to 21 years or older. Tickets for Footlights are available at all Antioch Financial institutions and Realty World across from St. Peter Church in Antioch for \$7 in advance \$9 at the door opening night. Doors open at 6 p.m.

Strawberry Catering Meets Limitations

by MIKE PRAMSHAFFER

Strawberry Catering, run by the Scardino family in Round Lake, owners of the Brass Wheel (Round Lake) and Gatsby's of Renwood (Round Lake Beach), has a new name and a new image to offer.

Formerly known as Brass Wheel Catering, Strawberry Catering is "growing and expanding very quickly," according to Rick Scardino, owner of Gatsby's of Renwood.

Scardino believes Strawberry Catering, which is open all year-round, is unique because it caters to all people, not just to a select number or group.

"The unique thing about Strawberry is that we'll sit down with anybody and work something out, considering their tastes and budget restrictions. We are very flexible. We work around our customers' needs and wants," Scardino said.

The company, which is now six-years-old, has handled parties as small as 30 people and as big as 1,000.

"We have the capabilities to cater parties of all sizes. The amount of food doesn't matter either because we can cater from appetizers all the way to seven-course

meals. We've done some catering where we just drop off the food and use disposable utensils, while there were other times when we catered to an elegant sit-down," Scardino said.

"We've catered in dozens of halls in the Lake County area and hope to expand that in the future. Our prices are flexible because, like I said before, we work around our customers' limitations. Distance is no problem with us either. We've catered to parties down on the south side of the city (Chicago) before," he added.

Strawberry, according to Scardino, also caters to company picnics and other various company events.

"I would say that one-half of our business comes from various company events. That's great, we love it, but I think we need to expand our services to the individual customer. We hope to do that in the future," he said.

Strawberry Catering is based at the Brass Wheel in Round Lake.

Heritage Lists Committee

Heritage Dance Theatre, a Libertyville based not-for-profit organization dedicated to bringing the best of dance to the area, introduced its 1985-86 executive committee and members of the board of directors at the first meeting of the season on Sept. 26.

Serving the executive committee are: Cheri Zedick Rosen, of Vernon Hills, as president; Susan Anderson, Mundelein, vice president and general manager; Wendy Katzenmeier, Grayslake, treasurer; Ellen Sayers, Libertyville, assistant treasurer and business manager; and Louise Tapio, Waukegan, as secretary.

For Convenience

To make your shopping easier, Lakeland Newspapers carefully classifies all want ads.

Additional Board members include: Julie Nowak as chairman of the board and Thomas Nowak of Grayslake; Lyle Holbo,

Lindenhurst; and Owen Hanner and M.J. Sailer both of Mundelein.

Wednesday Newsstands

All associated weeklies in the Lakeland Newspaper group are available at your favorite newsstand Wednesday afternoon. If not, please call (312) 223-8161.

To Host Guitarist

Geoff Bartley, a guitarist whose talents include folk, country blues, jazz, rhythm and blues, and gospel, brings his brand of music to the David Adler Cultural Center for two shows, at 7:30 and 9:30 p.m., on Saturday, Oct. 26.

Pat Gaughan, singer and guitarist who performs traditional ballads, blues, contemporary folk and original songs on six and 12-string guitar, will open both shows.

Admission is \$4.50 for adults, \$4 for members, \$2 for senior citizens and children 6-12, and free for children under six.

The David Adler Cultural Center, 1700 N. Milwaukee Ave., Libertyville, is a non-

profit organization. For information, call (312) 367-0707.

CLC To Host Theater Group

Stage Two Repertory, a recently formed theatre group in Lake County, announced today that it will be performing at the recently renovated 180 seat theatre at the College of Lake County (CLC) at 19361 Washington St. in Grayslake.

This will be the first time that the CLC will be the home of a professional theatre organization. When asked why the CLC was

chosen by Stage Two, Bryan Simon, producer for the company, answered, "CLC is the perfect location for a theatre group of this caliber, not only because of its central location in Lake County but also because the theatre lends itself to many variations in the staging of the plays which this group will perform."

"Stage Two will be different from other Northshore and Lake County theatre groups," according to Bryan Simon. "We're appealing to a special group of theatre-goers and providing a professional theatre of the caliber that many believe exists only in Chicago and New York."

Stage Two has also made a strong commitment to new works and new playwrights,

which we hope will stimulate thought, arouse the imagination, and challenge us as actors," he added.

Stage Two has planned three plays for the 1986 season, which will open this January. More information may be obtained by writing to Stage Two, P.O. Box 1154, Waukegan, IL 60079 or by contacting Bryan Simon at (312) 662-4071.

Grass Lake Haunted

by ARDEEN HARRIS
(312) 395-2761

Well, let's hope that the rains have finally stopped, and let's look forward to an exciting weekend of entertainment at the Grass Lake Haunted House. Friday through Halloween the Haunted House will be open every night from 7 p.m. till ??? and the donation to enter is still \$2. Sunday will feature the second kiddie matinee from 2-4 p.m. with kiddie monsters for children 10 and under and the donation will be 50 cents. The Haunted House committee would like to thank McDonald's in Antioch for once again issuing Halloween coupons to be given to our Haunted House Patrons. Over 3,000 coupons were issued and will be given away until they are gone.

Congratulations to the winners of the Grass Lake Haunted House coloring contest. Each winner was personally called and invited to attend the Haunted House on the date of their choice and to let the "ticket people" know that they were a winner and their ticket would be issued at the door. Congratulations to the following Grass Lake students who won a ticket to the Haunted House through the coloring contest: Lori Loei, Erica Melendez, Heather Dawson, Tami Edelman, Candice Kasprzak, Jullian Litchford, Ryan Dunfrund, Amber Gore, Abby Clark, Steven Spencer, Jennifer Lentine, Tara Christopoulos, David

Wallsteadt, Paul Grob, Mike Prelaske, Erica Gallegos, Danny Wiegell, Rock Welsh, Lois Morreale, Neil Hansen, Sarah Harmon, Brandie Houle, Chris Groh, Jon Utinans, Chris Dogan, Matt Fleming, Johnny Hudson, Jamie Brausam, Jerry Oleksy, Ryan Jacobson,

Matt Schultz, Susie Johnson, Justin Ward, Sabrina Day, Brad Priller, Adam Marsala, Leah Ferguson, Heather Burke, Wendy Charvat, Selena Plattner, Beth Enright, Kathy Benes, James Mazzuca, Jessica Stella, Joey Brown, Angie Stricker, Jenny Mosler,

Duane Ladner, Tony Gardin, Jenny Rogan, James Varno, Kathy Harris, Almee Killo, Jason Paulhus, Cathy Chinn, Danny Naughton, Corry Hansen, Monica Madden, Missy Olenick and David Komperda. Their colorful drawings are displayed in the entry way of the Haunted House.

Be sure to stop by the Cub Scout "tent" to warm up with some delicious hot cocoa and coffee, while your waiting for friends to exit the Haunted House, or if the line is long, stop by and keep yourself warm with those hot drinks.

Happy Birthday to Tiffany

Christopoulos, who will be celebrating her day on Oct. 28. Tiffany is in the seventh grade at Grass Lake School. Cathy Chinn will be celebrating her day on Oct. 29. She is in the fifth grade at Grass Lake School. Selmar Harris will celebrate his day on Oct. 27.

Trailer

(Continued from Page 1A)

but no date was set. Geertz, president of Triple G. Oil Co. Ltd., in Mundelein, said he tried six months ago to annex another piece of property (also east of town) to the Village of Antioch, but it was rejected because the property wasn't continuous enough for annexation.

Geertz said he will give a presentation with detailed maps of his proposal to the planning commission.

In other news, the village board approved to pay \$12,900 to help get rid of an excess of sludge at the Water Treatment Plant.

Mark Harasti, operations manager of the plant, said the problems in machinery that treats the sludge could be due to excess heavy metals from local industry, which contribute 30 percent of daily sludge.

So far, he said, the village has spent some \$26,000 to repair machinery needed for the disposal of sludge.

Pet Of The Week

The Braddocks, of Antioch, now have an additional 13 members to their family - their beloved family pet is the proud mother of 13 German shorthair pups! Pictured above, Charlotte Braddock has her hands full trying to keep the frisky puppies from going at large. If anyone would like to introduce their pet to Lakeland readers, please contact the editor of this newspaper.

Seek Foster Parents

Reach out and love someone. This is the theme of the foster care program of Catholic Charities of Lake County. The phrase was originally suggested by a Catholic Charities foster parent who felt that this is the theme expressed by anyone who opens their home to provide a loving family life to a child who is unable to remain in his or her own home.

Catholic Charities is

seeking individuals or families who are interested in becoming foster parents. Foster homes are needed for children of all ages, race and creeds, particularly teenagers, minority children and pregnant teens.

Along with workers who prepare people to be foster parents and work with you during and after placements, Catholic Charities also offers a close-knit support system among our

present foster families.

Call a Catholic Charities Foster Care Worker at (312) 249-3500, (312) 949-5577, or (312) 945-2445 if interested.

Hunter Memo Preceded Office Fire At CLC

Less than two weeks before a fire in the office, President John Hunter corresponded with the College Senate to plead for moderation on the smoking issue. In a Sept. 18 memo to the College Senate, Hunter volunteered these observations:

1. "We must have more in-depth analysis ... The (smoking) literature I have been receiving seems fairly replete."

Currently, College of Lake County is engaged in a vigorous debate on whether

or not the school should ban or curtail smoking on the campus.

2. "...why do people smoke when they know it is unhealthy? (The answer is not simply nicotine addiction.)"

3. "The fact of a student population numbering over 13,000 adults must be central to the deliberation."

In conclusion, President Hunter asserted, "I also wish to set an example. I enjoy pipe-smoking and shall continue to do so within the

confines of my private office. However, I do not intend to smoke in group meetings or in my office if I have guests who do not smoke."

On Nov. 5, the College Senate will conduct a meeting to evaluate the smoking controversy.

On Oct. 1, there was a fire in President Hunter's office at the main building. Hunter is a pipe smoker. Apparently, he discarded burning embers from his ashtray into a wastebasket. A fire resulted.

Red Cross Projects Try To Meet Needs

While the American Red Cross Assn. has maintained a high profile in as a national organization providing emergency disaster relief, less attention has been focused on the number of projects that filter down to the local level.

"A lot of other areas where the Red Cross helps out are determined locally," said Woody Doydell, district field representative for the Lake County office in Mundelein.

One local service the Red Cross offers are counseling and emergency communications to individuals stationed at the Great Lakes Naval Training Center in North Chicago. Red Cross maintain an office with five social workers on the base to assist naval personnel and their families in adjusting to military life, Doydell said.

A little closer to home are the community and corporate blood drives the organization helps to sponsor. "The Red Cross doesn't actually coordinate the drive. Volunteers from local community groups handle most of the organization and recruit the donors. We just offer the expertise," Doydell said.

Blood drives are sponsored through community organizations, schools, and

corporations. Doydell said the Red Cross has planned six blood drives throughout Lake County during the month of October alone.

Community service projects also extend into the areas of teaching health education and water safety courses. "Rather than teaching the course itself, we train volunteers to teach these classes," Doydell said. "Most of the water safety instructors we train are employed by the park districts. We provide the materials for them to use."

Red Cross requirements that instructors teach at least once a year help to insure quality control. Those who have allowed a year or more to lapse between teaching must retake the Red Cross training course, Doydell said. "It's important that they stay up to date with recent developments in training."

Doydell said the Lake County office also sponsors volunteer projects which include sending Christmas stockings to youngsters at the Lake County Head Start Program in Lake Villa, and providing cookies to patients at the Veterans Administration Hospital in North Chicago.

Bomb Scare Is A Dud

Sandra Naydol

According to a Lake County College Safety Unit report, the front office of the college received a call from a female at approximately 4 p.m. on Thursday, Oct. 17, saying that a bomb had been planted somewhere in the college.

Following the routine set for such matters, members of the safety unit, as well as deputies from the Lake County Sheriff's Dept., conducted a four-hour search throughout the college that did not turn up any signs of a bomb of any kind.

Sandra Naydol, of Ingleside, is on the President's Honors List at Robert Morris College for the term ending Sept. 16. She has a GPA of 3.5 in the business administration program.

Shooting For Safe Halloween

Little "trick or treaters" will soon be out collecting "goodies" on Halloween. If families observe a few common-sense precautions, Halloween can be a safe and happy holiday.

parents," says Steven R. Potsic, M.D., M.P.H., executive director, Lake County Health Dept.

Costumes and accessories should be fire-resistant, short enough so the children cannot trip on them, and light-colored (or have reflective strips on them) so the children can be seen by motorists. Masks should not restrict vision.

Parents should caution

children to watch for cars and to watch out for the young trick-or-treaters, who may be too busy and too excited to watch out for cars.

"We can assure a safe Halloween and avoid unhappy or tragic incidents without spoiling the children's fun," says Dr. Potsic. "We just need to be alert and make safety our number one priority."

How Local Shopping Helps

A good deal of finger pointing is going on in Grayslake where voters will face "double duty" in the Nov. 5 election—passing judgment on two school tax increase referendums besides voting on school board candidates. There's acrimony that does credit to no one.

One of the prevailing pro-referendum opinions is that village officials are to blame for not doing enough to attract new business and industry to the community to buttress a sagging tax base. Nice to have a handy scape goat. Another argument is the silliest of all—depriving the children of a quality education if more money is not voted—and spent—on education. This viewpoint totally ignores quality of education, need to establish standards, and efficiency in the educational system, and is at the root of a major evil of public school funding for 40 years—that of "throwing money" at the schools as the answer to every problem affecting public education. Grayslake doesn't have a monopoly of these arguments. If you listen, you can hear these same views expressed everywhere.

Tourism Lady Honored

Marge Tuck, Lakeland's No. 1 ambassador of northern Illinois tourism, is heading into retirement and a spot at Barefoot Bay, Melbourne, Fla., for the winter months. At a Fox Lake Chamber of Commerce and Industry tribute in her honor at Apple Tree Restaurant, Marge revealed a never-before-known side of her life.

Operator with her husband, Franklin, of one of the Chain O' Lakes best known fishing camps for a quarter of a century, Marge remarked, "I love the outdoors and our area. I've always been involved with fishing and I know quite a bit about fishing, but I've never been fishing." That's like Babe Ruth admitting that he rather would be doing watercolors instead of hitting all those homeruns.

The problem was that Marge was so busy with customers at Squaw Creek Bait Shop that she never had time to wet a line. Who would have believed?

Marge is known up and down the state and throughout the midwest for her knowledge and enthusiasm regarding Lakeland's most underrated industry, tourism. The community sorely will miss the diminutive dynamo. And, Marge, maybe you'd like to give deep sea fishing a try.

Cupid On The Run

Antioch village officials may have bitten off more than they can chew for firing a police officer and a dispatcher for the "crime" of falling in love and getting married.

Like every red-blooded American who has a grievance, Sgt. William Kuklas, 33, and Denise DeVore, 32, have gone to court for redress over losing their jobs with the Antioch police department. The controversy isn't as simple as a husband and wife violating work rules. The Kuklas beef touches at the raw nerves of U.S. Supreme Court decisions like discrimination and comparable worth. It will be interesting to what happens.

We can't help but wonder what anyone would expect when the courts ruled that it was fitting and proper for men and women to work along side each other in jobs like law enforcement and fire fighting. Pity the poor police chief. He not only has to worry about what the criminals are doing, he also has to keep on his toes about where the officers are.

State aid for schools notwithstanding, there is no secret how a community supports all the services it renders citizens. It's with tax dollars generated by the people themselves. In Grayslake's case—and probably many other villages—one part of the equation that makes for a proper tax base has been missing for a long time. And the people have no one to blame but themselves. That's the need, the utter necessity, to patronize businesses where you live. Keep the dollars at home and the taxes will take care of themselves with proper management. In Grayslake, like just about every community across the land, householders have been trucking off to distant shopping centers for nearly 20 years now, hauling their tax dollars with them.

Without trying to over simplify the problem, almost any community can help itself simply by developing and taking care of a viable retail business district. Success is catching. Prospective merchants are eager to hop on the bandwagon. If they see a thriving community, they'll be eager to get in on the action. Taxpayers help themselves by shopping at home. Corny as it sounds, it works. Finger pointing isn't the answer. Getting the message will.

Treat Ditka The Same As Everyone Else

By BILL SCHROEDER

Mike Ditka is a lucky guy. He has a lovely wife and he lives in a beautiful home. He earns a lot of money working at the exact job he wanted. He's the object of public adulation. Reporters write about him and he's on television a lot. He also had the good fortune to be pulled over by a traffic policeman while driving after imbibing too much before he did harm to himself or someone else.

Society as a whole is fed up with drivers who drink. We're going to disregard the irrational blubbering of sports fans who berated the Illinois trooper who cited Coach Ditka for drinking infractions on the Illinois Tollway on the grounds of overreacting to an emotional situation. Common sense tells us that the famous football coach should be given the same treatment—no more or no less—than anyone else involved with driving under the influence. Ditka has always been a stand-up guy on and off the field. I'm sure he'll face up to his predicament. I think he's already handled himself appropriately.

COMMENTARY—

One consistent argument of pro-growth and anti-open space people is "we are taking land off the tax rolls." An interesting observation. Condell Memorial Hospital has removed far more tax revenue producing land from the tax rolls than the 1,200 farmland acres of the Cunco Estate. Actually the Cunco land under the farmland tax exemption program has, in all reality, been off the tax rolls for years.

F.T. "Mike" Graham
Libertyville Township Supervisor

Letters To The Editor

Who's Wrong?

Editor:

The Friends of Warren lament the division in the township resulting from the high school controversy. They do not state the reason for it and I would like to present my view for this sorry state.

A referendum was held to finance a new high school and 3,759 voted 'no'. The school board ignored that vote and proceeded with its plan to build a new school at approximately the same cost to the residents. By this action, the school board caused the anger and division that presently exists. Regardless of other issues, the majority position was to be followed; that is the democratic process of the vote in our nation. When those in office do not do what is mandated by majority vote, they should quit or be voted out. That is not being divisive or obstructionist. The vote is fundamental to our freedom and preserves our freedom to be a nation 'by the people'.

The school board has enlisted a group of people, the Friends of Warren to convince the majority they are wrong for voting what they believe in and to present the majority of voters as divisive and obstructionist. It is the school board and the Friends of Warren who are divisive and obstructionist.

Hysterical Letter

Editor:

Recently, Mr. Ted Schaefer wrote a letter to the editor complaining about the village slowly killing itself because the village, "with the help of its realtors, mayor and hometown newspaper", selfishly refused to pass a "desperately needed grade school referendum".

Up until now, the entire blame for the failure of past referendums has been put on

me. I am glad to read that other parties are now being included to share the responsibilities.

Mr. Schaefer's letter strikes me as a bit hysterical and like some of the proponents of past referendums, he is attempting to use scare tactics.

I am very much in sympathy with the problems of both the high school and grade schools. However, realistically, a substantial amount of blame should be put upon the governor and the State Legislature to change the laws to make financing and consolidation of school easier.

As mayor, I am very much concerned about the impact that the various taxing districts in Grayslake make on the property tax paid by the homeowner. It is unfortunate that the schools must go for a referendum when additional monies are needed. However, a "no" vote by the taxpayer indicates that he or she is fed up with higher taxes and this is not "selfish". It is a message to all taxing bodies in Grayslake; village, park district, library, county and others that the taxpayers do not want additional taxes, not that they are against the schools.

Unless restraint is exercised by all the taxing bodies, the taxpayer in Grayslake will be burdened with an astronomical tax rate.

Mr. Schaefer also refers to the "for sale" signs on lawns. Families are not moving away in droves. In fact, there is a demand for housing in Grayslake. Ask the realtors and the developers who are building in town! Grayslake is a growing community and is not slowly killing itself, as Mr. Schaefer alleges. The population of Grayslake has increased approximately 15 percent since the census of 1980.

When Mr. Schaefer's letter appeared in the newspapers, I called him and asked to meet with him to discuss his concerns and give him some factual information. He refused to meet with me. He obviously has a closed mind on the subject regardless of the facts.

With friends like Mr. Schaefer using scare tactics, the school board does not need enemies.

Edwin M. Schroeder,
Mayor, Grayslake

Sidestepping

Editor:

You and the mayor sidestep the human issue that should be the focus of the school referendum—the children.

When will you address what they have lost and remain under threat of losing? What is outrageous about the fact that money is needed to provide a basic, quality education?

Trish Schaefer
Grayslake

Community Values

Editor:

It has been said that a society will support something that it values. If the citizens of Grayslake value education, if the citizens of Grayslake value their children, there is only one way to vote on the Dist. 46 referendum on Nov. 5. A yes vote will cost the citizens of Grayslake money; there is no doubt of that. I feel that the money will be well spent. There are no frills and little waste in our local school system.

The question comes down to what we, as citizens of Grayslake, value the most. Do we value personal comforts or expensive "toys" (VCRs, campers, etc.)? Do we value instead, the future of our children, our community's children, our nation's children?

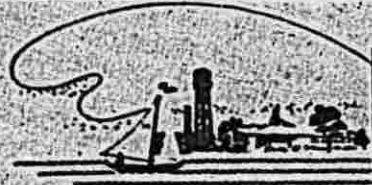

The question of a quality education in Grayslake demands that the citizens of Grayslake show where their values lie. Vote YES on Nov. 5. Our children are our most valuable possessions.

October ... 1985

Dear Friend:

The year was 1978. The month October. Pope John Paul I was about to be buried and in Lake County, Great America was completing its second successful year, Woodrow Hayek retired from the Globe Department Store after 49 years and 2¢ milk was advertised at \$1.01 a gallon; and at the Lakeland Newspapers rising costs had prompted us to raise our subscription rates.

There have been many changes in the seven years since our last price increase, including a 150% increase in the price of the paper this is printed upon, postage increases, wage increases and increased costs for light, heat and water (to say nothing of taxes). Now for the first time in nearly seven years, we are compelled to raise our subscription and newsstand rates.

We know that increased prices are universally unpopular and upsetting to budgets. To ease this transition, during the month of October you may enter a new subscription or renew and add to your subscription at current rates... saving \$2.00 off the rates which become effective November 15, 1985.

We appreciate your patronage and confidence in the Lakeland Newspapers and promise to do our very best in bringing you current news about your neighbors in Lake County, in your schools, in your town, all along with the special features you enjoy every week.

Should you decide to beat the price increase, I welcome you to use the coupon located in this advertisement. But, please, renew or subscribe today because November 15, 1985, the new prices will take effect.

On behalf of our Lakeland Newspapers employees, I thank you for the pleasure and responsibility of providing you with Lake County's best news coverage.

Sincerely,
Bill Schroeder, Publisher

There will be games, prizes and lunch. Help is needed. Call Jeff Sherpan at (312) 640-9709.

Natural Ingredients Have Standard Sources

by PAT DeANGELIS

Question: Can I find all the information I need regarding supplements on their labels?

Answer: Legally it is no necessary to list on the label the solvent used, the degree of heat applied or the source from which a synthetic item may be derived.

The natural ingredient items have standard sources that most often are not listed on the label. For example: B-Vitamins contain soy and brewers yeast.

C-Vitamins contain corn, E-Vitamins contain soy and wheat, A-Vitamins contain fish, oil, and wheat, Multi-Vitamins contain brewer yeast, wheat, and soy, Mineral Products contain soy, Lecithin Formulas contain soy, Mineral Ascorbates have added Vitamin C for utilization, Mineral Orotates have added orotic acid for absorption.

There are special allergy products available without the standard sources for persons having allergies to these food substances.

Many terms used on supplement labels are often not defined clearly. Such as: Chelated—this word refers to a process used for minerals where they are combined with appropriate amino-acids for best utilization.

Sustain released: This refers to a process used for water soluble vitamins which enables the vitamin to be released in the body slowly and gradually over an eight to 10 hour period, except for the first 30 percent that is released within the first hour.

Multi-vitamin and mineral preparations all vary as to their content and potencies. The labels must be read very carefully to decide the quality of the product. Some multi-vitamin and mineral items have only one mineral (often iron); others have six or more.

Some formulas are sustained released and Persons with severe food allergies often

some are chelated, others are not. Additional trace minerals are often added for increased value.

The two most familiar terms used for supplements are natural and synthetic. Natural refers to the source being found in nature or of natural food and having no chemical change within the product.

A synthetic vitamin is created by a scientist in a laboratory when he has reconstructed the exact molecular structure of a vitamin by putting together or combining molecular from other known sources.

need to take synthetic preparations. Actually most supplements on the market today are co-natural or crystalline, which means they have a natural food source but have been reduced to one specific vitamin by processing with a solvent, heat, or distillation.

Cook Invents Recipe For Glazed Chicken

POT SHOTS: Glazed Chicken

"I look forward to your column," writes Claire-Marie J. Richard of Linwood, Mass. "I have a recipe in my collection that appears to be almost dead."

"I will need your culinary skills and critique to make this Pineapple-Orange Glazed Chicken a winner. The difficulty is this: one of the ingredients is no longer on the market, namely, frozen concentrated pineapple-orange juice. I would like a substitute or equivalent ingredients."

While I'm not too fond of glazes, I still jumped on the challenge the weekend after I received the request. I recalled the glazed duck I almost prepared years ago - it burned. I usually only glaze ham, but I was game.

The only ingredient I had to buy was an eight-ounce can of crushed pineapple. I used some orange juice from the carton that I drink daily. I reduced the amount of water in Claire-Marie's recipe, but not the sherry.

For a thicker glaze, stir in a little cornstarch before heating up the pineapple, juices, sherry and water. I used chicken breast quarters, but you can use the parts of your choice.

Pineapple-Orange Glazed Chicken

3 pounds cut-up chicken
seasoned salt to taste
4 tablespoons butter, melted
1/2 cup canned crushed pineapple and juice

1/2 cup unsweetened orange juice
1/2 cup dry sherry
1/4 cup water

Pilot Light GREG MELIKOV

Sprinkle chicken with seasoned salt. Line shallow baking pan with butter, place chicken skin side down and bake in 400-degree oven 20 minutes until lightly browned. Turn chicken skin side up. Heat pineapple, orange juice, sherry and water, occasionally stirring, and pour over chicken. Bake at 350 degrees 30 minutes, occasionally basting, until tender and nicely glazed. Serves four.

Condell Sponsors Program

The Run for Your Self program, sponsored by Condell Memorial Hospital, begins Monday, Nov. 4. This free program, which will continue through April, offers a warm, dry and well-lit place for local residents to walk, jog or run during the winter months.

Held at the gym in Libertyville High School's Brainerd Building, Run for Your Self is an unsupervised program. However, registration is required.

Participants must bring a note from their physician stating they are in appropriate physical condition to exercise on their own to the public relations department at Condell Memorial Hospital. Each participant will then receive a special tag worn at the gym on a running shoe to identify the runner as a Run for Your Self member. Department hours are 8:30 a.m. to 4:30 p.m. Monday through Friday.

For more information on the Run for Your Self program, call Condell's public relations department at (312) 362-2900, extension 5275. Condell Memorial Hospital is a subsidiary of The Medical Center of Lake County.

Offer Free Screening

Condell Memorial Hospital, a subsidiary of The Medical Center of Lake County, will offer free diabetic detection screening to the public during Diabetes Detection Screening Week, Sunday, Nov. 10, through Saturday, Nov. 16. This annual program is held to identify what is referred to as the "hidden diabetic," that person who has the disease but is unaware of it.

The screening at Condell Memorial Hospital is available to anyone 18 years of age or over who has never been diagnosed as diabetic. However, it is especially recommended for people over 40 years of age; overweight; a blood relative of a diabetic; or the mother of a baby weighing over nine pounds at birth.

Stacey Joan Gile, daughter of Marvin and Doris Gile, Byron, Ill., and Patrick Leo Carney, son of Joe and Letty Carney, Wadsworth, were joined in marriage at 3 p.m. on May 25 at St. Mary's Catholic Church, by Father James Weber.

The bride wore an ivory gown of tissue taffeta featuring a high wedding band collar of alencon lace. The bodice was accented by a schiffli lace yoke embroidered with pearls, leg-o-mutton sleeves with schiffli lace cuffs and a dropped waistline which was outlined in alencon lace. Her full skirt with ruffle flounce fell to a chapel-length train. She wore a small brim hat which featured an elbow length veil. She carried a silk bouquet of white and purple roses and tinted orchids.

The matron of honor was Becky Anderson, sister of the bride. Maid of honor was Holly Gile, also a sister of the bride. Bridesmaids were Rachel Johnson, Kim Kilmer and Mary Beth Graham, all friends of the bride; and Lori Konopka, niece of the groom. They wore orchid taffeta gowns and carried fans highlighted with orchids, daisies and roses.

The fans were designed by Kristi Gile, sister-in-law of the bride.

The best man was Ronald Carney, brother of the groom. Groomsman were Scott Mose, Bob Scheuber, Neal Zupec and Bob Rynkiewicz, all friends of the groom; and Tom Held, cousin of the groom.

Ushers were Rusty Gile, brother of the bride; and Fred Carney, brother of the groom.

Junior bride was Heather Anderson, godchild of the bride. She was dressed identical to the bride. Junior groom was Jimmy Carney, nephew of the groom.

A reception followed the ceremony at St. Edward's Community Center, in Rockford.

After a honeymoon trip to Mt. Rushmore and Yellowstone Park, the couple is making their home in Waukegan.

The bride attended Northern Illinois University in DeKalb. She is presently employed as field staff supervisor at Quality Care in Gurnee.

The groom also attended Northern Illinois University in DeKalb and is employed as an R & D technician at Abbott Laboratories in North Chicago.

Endangered Animals Trying To Stay Alive

by CHARLENE WHITNEY

Endangered animals are species that are having trouble staying alive for one reason or another.

The biggest problem for these animals is the over number of people. Two hundred years ago, there were about one billion people on earth and there was plenty of living space and food for people and animals. Today, there are 4.5 billion people on earth. The animals are losing needed land and plant life for food. If the population keeps growing, there will no longer be food and room for the animals to live.

All the plants and animals are linked together. Each has a place to keep the world of nature alive. When a plant or species of animal has died out or been removed, the natural world doesn't work as well as it did. If we remove too many of them, we will some day find ourselves in a world that won't work at all.

People just don't realize how very much their own survival depends on the survival of all the species.

The insects help plants to reproduce as they pollinate them. They are also food for some birds and small mammals. There are many animals that eat plants and in turn, these animals provide food for the meat-eating animals. Should any of these become extinct, a chain of species could die out.

Just like people, they need places to live, to find food, and to raise their young in safety. The loss of their habitat is a very serious

threat for many of the animals of today. If animals feel there is not enough safe cover, they will not have babies.

The tropical forests are suffering the most as trees are being cut down at the rate of 50 acres a minute.

People are changing the world in big ways. They take

Usually, the birds are smuggled across the border. So, to keep them quiet, the beaks are taped shut and their feet tied together. They are sacked or wrapped in newspaper. At this point, many die from lack of air and rough handling. For every one bird that comes through all of this alive, at

skins and/or unusual parts are in danger. Some parts are used for jewelry. Some people feel parts of animal bodies have magical powers.

Fur coats are taken from beautiful animals, that elegant look some selfish people think they need. Fancy things are made from beautiful snakes such as belts, boots, purses, etc.

Some animals are hunted and put on the wall like

trophies just because they are already rare. Also, animals are put in danger as they are used even when there are other sources to get the same product.

Once we have lost a species of animals, they are gone forever.

You can help by following these seven steps: 1) Learn as much as you can about nature; 2) Write letters to people with power and let them know what you feel

should be done to save the endangered species; 3) Help other people to learn about the endangered species. Also teach them why they are endangered; 4) Don't buy animals that have been taken from the wild; 5) Don't buy products made from wild animals; 6) Support zoos that are breeding endangered species and 7) Support organizations that are working to save endangered species.

Pet-Wise

away land and pull down trees in large numbers. When people like something that nature has, they take too much.

People pollute the places where animals need to live. The animals are killed by our mess and our chemicals. Everyday, tons and tons of garbage and waste are put into the waters on earth.

Millions of animals are trapped and sold as pets. People don't realize that most of the beautiful and unusual animals in pet stores had been taken from the wild. The tropical forests were once filled with birds.

Every year, about seven million wild birds are trapped.

The parrots are very popular as pets. However, for every five caught by nets about two die of shock.

They are jammed into tiny cages for shipping and often given little food or care. So, one of every five die at this stage.

least four others have died.

Pet shops also sell animals that haven't been taken from the wild, but are raised for pets. They can be wonderful pets and it leaves the wild animals in the wild. Wild animals do not make good pets.

CUB Challenges ICC

The Citizens Utility Board (CUB) has challenged the Illinois Commerce Commission (ICC) to "wake up" and heed the mandate of the state's new Public Utilities Act by halting construction of Commonwealth Edison's Braidwood nuclear plant, a move that would save consumers \$1.86 billion.

"The legislature has sent a clear message to the ICC

that it is troubled by consumers being forced to pay outrageous rates for power plants that are not needed," Susan Stewart, executive director of CUB, said. "The ICC has been asleep at the wheel on this issue. But they now have a chance to wake up and demonstrate their commitment to carrying out the mandate of the legislature."

CUB, a 130,000-member utility watchdog group, will file a brief with the ICC charging that continued construction of Braidwood violates the state's new Public Utilities Act, which charges the ICC with monitoring the creation of excess capacity. Excess capacity is a utility's ability to generate electricity in excess of 115 percent of peak usage.

Saving money by using less gas

THE UNHANDYMAN'S GUIDE TO CAULKING AND WEATHERSTRIPPING.

One of the best ways to save money on energy costs is to make improvements on your home that will help you use less energy.

One of the easiest and most worthwhile things you can do is minimize your heating and cooling loss by caulking and weatherstripping.

If you live in a typical home and install caulking and weatherstripping, you can trim your energy cost for heating by up to \$40 per year. You'll recover your investment in two years or less, and after that it's money in the bank.

Caulking and weatherstripping your house requires a minimum of tools, time and know-how. Even not-so-handy homeowners can easily handle this job. You use caulk to plug air leaks outside and weatherstripping inside to seal the openings around doorways and windows.

"LET'S TALK CAULKING"

First, survey your house from the outside. Look for gaps in the exterior walls where you need caulk. Note any missing or sun dried caulk especially on the south side of your house.

Here's where to look:

- Around all window and door frames
- Around exhaust fan

outlets (bath, kitchen or laundry) ■ Around window air conditioners ■ Around holes cut for hose faucet, wires and pipes ■ Around the chimney ■ Around lighting fixtures ■ Where masonry and siding meet.

Caulk is a flexible sealant designed to fill cracks and gaps in fixed joints of a house. One tube will fill about 25 feet of a narrow 1/4" crack or two small windows. In home centers and hardware stores you'll find a variety of caulks to choose from, but don't let that scare you. Ordinary latex caulk is easy to use and clean-up, and a good bet for the first time user. Silconized caulk is more expensive, but it lasts considerably longer. If you can afford to use a better grade of caulking you won't have to re-do the job every few years.

Check the label to see if the caulk can be painted, how long it takes to dry, the type thinner recommended for cleanup and what the temperature requirements are. Don't forget to purchase a caulking gun, unless you purchase caulk that comes in pressurized cans. Caulk guns usually cost only a few dollars.

■ Clean out the joint thoroughly and let dry. ■ Cut the tube tip off at a 45 degree angle making a 1/4" opening. ■ With the tube in the gun, break the seal with a nail. ■ Place the nozzle in the crack and squeeze the trigger while pushing the tube away from you to fill the gap. ■ Fill deep cracks with several beads of caulk. ■ Clean up immediately and put a nail in the tube nozzle to save for re-use.

WEATHERSTRIPPING—THE INDOOR SOLUTION

Weatherstripping is the best way to stop air leaks.

To detect hidden drafts inside, make your own distress flag by taping a piece of tissue to a pencil. On a breezy day use this detector to find air leaks by holding it near window sills and doorways. If the tissue moves, you've located a spot that needs weatherstripping. Here's where to look for drafts: ■ Around all windows and door frames ■ Space around pulleys in double-hung windows ■ At electrical wall outlets and switches in exterior walls ■ Around heating registers.

Weatherstripping comes in many forms. For instance there are threshold weatherstripping materials designed to fill the gap between the bottom of a door and floor. For doors and windows, there's spring metal or brass weatherstripping that's inexpensive and effective. Self-adhesive plastic weatherstripping is more expensive but easier to install. As a handy temporary sealer, you can use caulking rope or cord.

For electrical outlets and light switches, low cost foam rubber gaskets can be used to seal gaps. And, in your garage molded stripping is available to seal your garage door.

Installation is easy and you'll find instructions with each of these products. Metal weatherstripping is easily cut with a heavy scissors or tin snips. Plastic is cut with a knife or scissors. Before applying adhesive-backed weatherstripping, clean the surface behind the glue for maximum grip.

NOW'S THE TIME.

Now's a perfect time to get to work on projects like caulking and weatherstripping. So why not start now? It'll be money in your pocket, when next winter rolls around.

Premier To Add Zion State Bank

It will take approximately four months to change ownership of Zion State Bank and Trust Co. from a holding company to Premier Bancorporation, Inc., a multi-bank holding company.

Loren D. Storey, President of First Shiloh Bancshares, Inc. and Zion State, and Larry L. McGregor, president of Premier Bancorporation, Inc., jointly announced an agreement in principle for Premier to acquire from First Shiloh all of the issued and outstanding shares of Zion State.

Total expected purchase price will be approximately \$8,300,000, subject to adjustment under certain circumstances. Zion State is a wholly owned subsidiary of First Shiloh Bancshares, Inc.

The transaction is subject

to preparation and execution of a definitive agreement and approval of that agreement by the Boards of Directors of First Shiloh and Premier and approval by the shareholders of First Shiloh. The transaction will be completed early in 1986.

Zion State at Sept. 30, 1985, it had total assets of \$108,000,000. Premier Bancorporation, Inc. is a multi-bank holding company which owns the Golf Mill State Bank (Niles).

Grayslake National Bank, Libertyville National Bank, First National Bank of Mundelein and The Premier Bank of Vernon Hills. At September 30, 1985, The Premier Banks had total assets of \$361,000,000.

Strom Sponsors Financial EXPO

More than 200 sophisticated investors are expected to attend the 16th semi-annual Financial Strategies Expo sponsored by Strom Financial Planning, Inc., Saturday, Oct. 26, beginning at 9 a.m. with a continental breakfast and closing at 1 p.m.

The sessions, which are open to the public, again will be held in the relaxing marble and walnut atmosphere of Lake Forest Academy, 1500 West Kennedy Rd. (IL Rte. 60). Cost is only \$5 in advance or \$10 at the door if space is available; seating is limited. Frank V. Battle, Jr., partner with the prestigious major law firm of Sidley & Austin, will be the keynote speaker. He will update

EXPO attendees on Federal income tax legislation, concentrating on the impact of proposed changes on investment decisions.

Earn CPA

Three former College of Lake County (CLC) students have passed the Illinois Certified Public Accountants exam.

They include: Diane Coke, Gurnee; Susan Coletta, Mundelein; and Joy Gumz, McHenry.

"The success of these students demonstrates the quality of instruction in our accounting program both for the student preparing for the CPA and the student seeking to enter the accounting profession through the completion of the Associate of Applied Science degree," said CLC Associate Dean of the business division, Don Holland. "The program is structured so students can blend into it at wherever they are educationally."

CLC offers accounting courses through the business division. For more information, call Holland at (312) 223-6601, extension 515.

DON DEUSTER

What is Arraignment?

The formal act of calling a criminal defendant into open court, informing him of the offense with which he is charged, and asking him whether he is guilty or not guilty.

When is a Strip Search allowed?

A strip search is allowed when one is arrested for a felony, or when there is a reasonable belief that one is concealing a weapon or possessing drugs. No body cavity search is allowed with a search warrant.

Are statements made while under hypnosis admissible in court?

No, as with statements made while under the influence of a "truth serum", or lie-detector results, our courts doubt the reliability of such evidence.

Clerk's Job An Oasis In Democratic Desert

by JOHN STEINKE

Lake County Democratic countywide officials are disappearing faster than any group since Agatha Christie's "Ten Little Indians." Within a brief period and under a variety of circumstances, the Democrats have lost three countywide offices in the past seven years. Both Democratic Sheriff E. J. "Chick" LaMagdeleine and State's Atty.

Steinke On Politics

Dennis were defeated for reelection. And Clerk of the Circuit Clerk Sally Deadrick Cofelt switched to the Republican party in 1982.

Yet, the Democrats have monopolized the county clerk's office for last 15 years. We're going to analyze how the Lake County Democrats have won the clerk's position in four consecutive elections.

For the first time in 36 years, Lake County voters elected a Democrat to a county office in 1970. Grace Mary Stern of Highland Park became only the third Democrat elected to Lake County office since the Civil War. Until 1970, only one Democratic sheriff (1890) and one Democratic county clerk (1934) had broken the GOP reign over the county offices.

Mrs. Stern, wife of the then Democratic county chairman Herbert L. "Hub" Stern, defeated incumbent Republican clerk, Truman Gerretsen, by 904 votes out of 92,974 cast in the election. Stern received a bigger vote than Democrat Adlai E. Stevenson III, who beat Republican incumbent, Ralph T. Smith, for the U.S. Senate. Stern registered 46,939 votes while Stevenson captured 46,371 in Lake County.

Stern was an unusually attractive Democratic candidate. She had achieved name recognition by writing a column called

"A Stern Eye" that was published in four Lake County suburban newspapers. The Democratic candidate had also been a member of the Lake County Board for four years. Through her own party activities and her husband's chairmanship of the county Democratic organization, she mobilized massive party support behind her candidacy.

She conducted a vigorous campaign distributing hundreds of pamphlets that stated, "Elect Grace Mary Stern. She's not one of the boys." Stern explained that "the boys" represented the entrenched Republican "courthouse gang" whom she accused of giving the county corruption and "mediocrity" in public service. The Democratic nominee accused Gerretsen with being a member of the "courthouse gang." She also claimed that her opponent did not provide enough ballots and voting machines on election days, causing long delays for voters.

Gerretsen may have alienated many voters by refusing to maintain regular office hours on Saturdays, an issue that Mrs. Stern criticized him for in her regular newspaper columns. The Republican incumbent was afflicted with overconfidence and did little campaigning. He depended upon the predictions of party leaders that he would be reelected to a second term by 15,000 votes.

Stern achieved her victory by only carrying five of Lake County's 18 townships. Her election was shaped in the traditionally Democratic townships of Waukegan and Deerfield (her home base). Stern defeated her Republican opponent by 9,416 votes in these two townships. She also captured Benton (50.9 percent), Fremont (51.1 percent), and Warren (55.9 percent) twps. Mrs. Stern only lost Libertyville Twp. by only 10 votes out of 6,960 votes recorded in the contest.

But she couldn't have been elected without attracting Republican ticket-splitters to her normal Democratic party base. Stern lost the straight party ballots by 9,515 votes while she captured the split tickets by 10,419. She received 26,806 split votes out of 43,193 cast in Lake County in 1970. (First of a series).

Smoke Alarms On Sale Until Oct. 31

Smoke alarms are available Tuesdays and Thursdays until Oct. 31 for \$5 through a joint campaign to save lives through early detection of fire of the Antioch Fire Department and the Antioch Rotary Club.

People in the Village of Antioch and Antioch Twp. can purchase the smoke alarms (batteries included) between 10 a.m. and 2 p.m. from the fire station on Holbeck Dr. Other arrangements can be made by calling Mrs. Carney at 395-5511.

More than 130 smoke alarms have been purchased by residents since the program began, according to a report by Antioch Fire Chief Todd Mapletorpe.

Serve On Council

Robert and Alice Golding, of Antioch, have been selected to serve on the Parents' Council of Lake Forest Academy-Ferry Hall.

The couple will represent the class of 1983. The council is the governing board of the L.F.A.-F.H. Parents' Association, a support group for the coeducational college preparatory school in Lake Forest.

"I like having things under control..."

so I asked a Funeral Director about pre-planning my funeral. He explained all the options, including pre-payment, so I could choose financially appropriate procedures. Best of all, the decisions were left to me, and I never felt pressured.

We can explain financial advantages of pre-payment, with no obligation.

Attention Fox Lake Residents

Notice of Public Hearings on Zoning Enforcement

Two public hearings will be held on Thursday, November 7, 1985 at 7:30 p.m. and Saturday, November 9, 1985 at 9:30 a.m. at the Fox Lake Village Hall.

The purpose of these hearings is to receive input from the public to assist in the establishment of an enforcement procedure to rid the Village of Fox Lake of multiple family uses in single family zoned property.

All residents are urged to attend.

Walter Kubalanza
Steering Committee Chairman
Village Trustee

YES, YOU CAN!

You may have seen many new satellite earth stations, or "dishes", installed in our area recently and asked yourself, "Are those dishes legal?" or, "Can I have one of those?" Well, happily the answer to both questions is YES. In 1984, the U.S. Congress approved home earth stations designed for the reception of satellite broadcasts. Not only are dishes legal to use, they are affordable, too. You can enjoy the freedom and wide variety of satellite television today.

abcox Reminds ids of Rules

School has started and I be seeing a lot of yellow school buses on the road in. Below I have listed safety rules which children on school buses need to be aware of and abide by," the County Sheriff Robert abcox said.

Of course, we all need to be cautious while driving on highway or in the city. Be courteous to school drivers while they make stops along the road," said the sheriff.

While waiting for the school bus, according to abcox, children need to remember to:

- Always be on time at the stop.
- Always wait quietly and so that the bus driver can see you.
- Always stand back and away from moving traffic.
- Never accept rides with strangers who offer to school.
- When getting on or off the bus, remember to:
- Always be courteous to the bus driver and the other passengers.
- Remember where the emergency exit is and how to use it.
- Never put your head, arms or hands out the open window.
- Never throw food or anything on the bus seat, floor or window.
- Do not distract the bus driver.
- When leaving the school bus, remember to:
- Stay alert to any moving traffic.
- Wait in your seat until the bus comes to a complete stop.
- Always use the hand rail when the bus door is open.
- Never cross the road until it is safe to do so and the

Panthers Shooting For NWSC Crown

The Round Lake Panthers have clinched at least a tie for the Northwest Suburban Conference championship.

The Panthers have also clinched their first-ever IHSA playoff berth by defeating the Marengo Indians 26-0 Oct. 19.

All the Panthers need now is a victory over the Lake Zurich Bears Oct. 26 to be the outright conference champions.

The Marian Central Hurricanes are right behind Round Lake in the con-

ference standings.

Round Lake boasts a 6-0 mark in the conference, while the Hurricanes are 5-1. Their only loss in the conference came against the Panthers by a score of 14-7.

Overall, Round Lake is 6-2 but has won its last six games in a row. Face it, the Panthers are hot!

Lake Zurich is coming off a disappointing 20-0 loss to Marian Central Oct. 19. The Bears are in third place in the conference with a 4-2.

Round Lake's final contest

of the year will take place at 1 p.m., at Lake Zurich on the 26th.

As mentioned before, Round Lake is coming off an impressive 26-0 shutout over Marengo. The Panthers scored 23 of those points in the first quarter, mainly off of Indian turnovers.

Round Lake dedicated this game to Senior Defensive End Art Bragg, who missed the game because his appendix burst during the week.

Senior Troy Haines scored

twice in the first quarter on runs of one and two yards, while the other first-quarter score came on a 34-yard flea-flicker pass from quarterback Walter Tesch to Chuck Banker.

Kicker Dave Kaempf put one through the uprights from 27 yards out in the fourth quarter to complete the scoring at 26-0.

Tesch completed seven of nine passes for 125 yards on the day, while Haines was the leading rusher with 95 yards on 23 carries.

Defensively, the Panthers had four men grab interceptions: Bobby Porteus, Haines, Jim Redlin and Damon Horn.

The 1985 edition of the Round Lake Panther varsity

football team is the second squad head coach Mike Dunn has directed to the state playoffs.

Dunn coached Aurora Central Catholic to the state playoffs in 1976, 1977, 1978.

Errors Leave Mustangs Struggling Against Fenton

The Mustangs played a game against Fenton on Oct. 19 that coach Gary Heifner hadn't seen the likes of in years.

"It was dead even up until the end," he said.

Equal in strength, equal in size, and equal in score up until the final moments, the Mustangs were defeated 18-16 when the call on a final play that could have given Mundelein the game favored the opposing team.

"When the smoke cleared from the field, the other team just won out in the end," Heifner said.

Highlights in the game included a 64-yard run by Jeff Geary in the second

quarter. "He did an excellent job of blocking," Heifner said.

The Mustangs earned their second touchdown when Dave Roger completed an 85-yard run.

Not a day for the defensive team, Heifner said the Mustangs' loss resulted from a number of crucial errors that climaxed in the final play in the last minutes of the game.

"Both teams ran equal up and down the field, and both had their moments of brilliant offensive plays, he said. "Coverage errors came in the third quarter when the defensive team left the end zone open, giving

Fenton their winning touchdown.

While the defensive has been carrying the team all season, Heifner said players made a number of tackles that were not characteristic of its recent win against Libertyville. "They just didn't tackle well. They were doing a lot of reaching and grabbing. In their game last week against the Wildcats, their tackles carried them through.

The final blow came at the end of the fourth quarter when a touchdown pass to the tight end fell a couple of inches short when officials called an offside penalty on Mundelein.

Announce Final Standings

Three schools tied for first place in the finals of the Northwest Suburban Golf Conference.

Marengo, Grayslake and Round Lake each totaled 13 points. Wauconda ran a close second with a 12 point total. Marian Central ended with eight points and Grant, one point.

Individual standings went like this: Ron Novotny, 80 (Wauconda); Tom Evers, 82 (Round Lake); Dan Kettwich, 82 (Grayslake); Tim Lemke, 85 (Round Lake); Ben Andrew, 86 (Wauconda); Scott Mattice, 87 (Marengo); Jim Theobald, 87 (Grayslake); Keith Schultz, 88 (Marian Central).

Steve Huemann, 91 (Marian Central); Eli Franks, 91 (Marengo); Brett Hodge, 93 (Grayslake); Tim Hellmann, 93 (Marengo); John Christian, 95 (Grayslake); Todd Mason, 95 (Grayslake) and Greg Kreitner, 96 (Round Lake).

Rams Seek Victory Against Bulldogs

When Grayslake takes on the Grant Bulldogs this weekend, coach Tom Wittum is counting on a more consistent game strategy to bring the Rams its second victory of the season.

The Rams' fatal attempt last week to upset Johnsbury ended in a disappointing loss of 21-14. Grayslake earned its 14 points during the first half with two touchdowns by quarterback Bill Sangbusch.

In the second quarter, Sangbusch made a short run touchdown, and later threw a 14-yard touchdown pass to John Lui. The Rams got two extra points when Sangbusch threw a pass for a 2-point conversion.

Bulldogs' linebacker Mike Siudak scored the team's

first touchdown when he made a 69-yard pass interception. Bulldogs made another touchdown when quarterback Frank Husack threw a pass interception to Brian Hauck.

"After that, the Bulldogs just marched the ball down the field," Wittum said.

"The Rams needed the ball back after they kicked off in the third, but the Bulldogs held the ball for the first seven minutes," he said. "They but missed the chance to score a touchdown with a first-and-goal on the third yard line."

In the fourth quarter, Rams received an off sides penalty on the first down. Kevin Olson got hold of the ball on the second down, but

lost four yards by a tackle.

The Bulldogs kept the ball for the last four minutes before the Rams took it away in the final 35 seconds of the game.

Carmel Seeks 3rd Victory

Nineteen seniors at Carmel High School will be closing out their prep football careers when the Corsairs travel to St. Joseph for the 1985 finale at 2 p.m.

The seniors and Coach Rim Rejc will be seeking their third victory of the season and their second East Suburban Catholic Conference football win.

The loser will occupy the ESCC basement so both teams have plenty of incentive despite the fact that both are having disappointing seasons.

In recent years, Carmel and St. Joe have been contending for basketball honors so it isn't surprising that players and fans on each side are anxious to get on the hardwood. St. Joe lost to Holy Cross 14-6 to remain winless last week.

Victory over St. Joe will give Rejc his fifth consecutive three-win, six-loss season.

A day-long rain left the Notre Dame football field looking like a swamp, dashed Corsair chances for a win Friday, Oct. 18, at Niles.

Carmel's defense led by ace linebacker, Craig Staehle, produced one of its outstanding efforts of the season, but the offense couldn't get untracked in the downpour and the Corsairs were pinned with a 6-2 defeat.

Following a scoreless first half in which Carmel failed to gain a single first down, Notre Dame's Dons finally pushed over a score against the valiant Carmel defense.

Carmel's sophs didn't seem to mind the rain as they passed and ran to their sixth win of the season against only two defeats by defeating the Notre Dame sophs 22-6.

Over the years I've been able to categorize football fans. I would like to pass a few onto you:

The Resident Expert—This guy knows everything there is to know about the game. He's a play by play announcer and knows immediately who misses a block or tackle. He can call the plays better than the coach and doesn't mind letting him know about it. He also helps officiate during the game.

The Scouts—They are coaches from other schools who try to position themselves as far away from "The Resident Expert" as possible.

The Strangers—Usually football players from other schools that show up to check out and critique the girls that are in attendance.

The Fathers—They show up and try to rationalize the total expense of putting their sons out there. Some of them offer suggestions to the coach and officials during and after the game.

The Mothers—Not as knowledgeable as the fathers, most of them just see the end of the play on the field to make sure their sons get up and off the ground in one piece. They also have trouble understanding why their sons, who they've raised from childbirth to be perfect gentlemen, are down on the field beating up on people. Some of the mothers are also wondering if they have enough "Clorox II" at home to get the uniforms clean.

The Group—They have a combined IQ of around 12 and are usually seen positioned around "The Resident Expert."

The Cheerleaders—They are down on the field exhorting their team to victory and wondering who those "Strangers" are in the stands.

A look around the country:

Congratulations are in order for Head Coach Dale Christensen and his Libertyville Wildcats (8-0) for clinching their first North Suburban Conference football title since 1973 and insuring their first IHSA playoff berth ever.

Head Coach Steve Wapon and his Antioch Sequoits (6-2) need a win this week to head for a playoff berth also.

With Marian Central (5-1) knocking off Lake Zurich (4-2), Head Coach Mike Dunn and his Round Lake Panthers (6-0) clinched at least a share of the title in the Northwest Suburban. The Panthers (who are those guys?) head for Lake Zurich Saturday, hungry for the first outright title and IHSA playoff ever in Round Lake.

The Grant Bulldogs (3-4) will be trying to finish the season on the upbeat against Grayslake (when was the last time a Rogawski team finished under .500?).

A look back:

In 1952, Tony "the Toe" Leonard led the Grant Bulldogs with 14 consecutive extra points. The 1954 Bulldogs' "Front Four," Harry Robbin, Harry Lemm, Noel White and Robert Weideman averaged over 220 pounds! That year replacing "the Toe," was a kicker named Ed Glower (chief of the Greater Round Lake Fire Dept.).

If you can contribute to a look back at Lake County athletes of the past, call Sports Line at (312) 223-8161.

Warren Grad Makes Mark

North Central College sophomore Rick Mateja of Lake Villa is a starting defensive back on the football team. He lead the Cardinals with 10 tackles (seven solo, three assists) in a loss to Millikin University last Saturday (Oct. 12). He recorded 33 tackles as a freshman in 1984.

The highlight of the year for Mateja so far has been a blocked field goal return which he turned into a 76-yard touchdown against Wheaton College on Sept. 21. Mateja was also a letter

winner in track at Warren Twp. High School and was named to the Athletic Honor Society.

Mateja is the son of Gerald and Mary Mateja of 18949 E. Grand Ave., Lake Villa. He is undecided as to what his major will be at North Central.

North Central College is an independent, liberal arts college of 1,800 students, related to the United Methodist Church. The Cardinals are members of the College Conference of Illinois and Wisconsin.

Bulldogs To Square Off Against Rams

The Grant Bulldogs will be looking for another conference win to bring their conference record up to 3-4 (and 5 overall) when they travel to Grayslake Saturday.

On a slippery, muddy field Grant Friday, the

bulldogs came out on top of a 8-0 score against Wauconda. The Bulldogs made the only score of the game in the second quarter with Jim Wanhala's 4-yard touchdown run, backed up by a two-point conversion pass to Kevin Frystak by Gary

Glauser. Kevin Psomos' interception in the third quarter shut off any chance for Wauconda's offense to get past the 50-yard line. Joe Pokrawka led the offense with 82 yards in rushing and led the defense with eight tackles and an interception.

Grant Emerges As Bulldog Champs

JENNI PARMALEE

Grant emerged as the champion in the battle of the Bulldogs with an 8-0 win over visiting Wauconda Friday night, Oct. 18.

For the Bulldogs of Wauconda, it was a case of missed opportunities. "It's been the story of our season," Wauconda Coach Ed Loffredo said. "Every time we get a chance to do something, we don't do anything with it."

Late in the first quarter, Wauconda's Gregg Stadel covered a Grant fumble at its own 25-yard line. After Wauconda quarterback Tony Niemo was sacked, the Bulldogs faced a 4-19 situation. The already struggling drive was abruptly halted when Grant's Mike McDonald picked off a pass and carried to the Wauconda 40-yard line.

Between both Bulldog teams, the offenses lost control of the ball 15 times. The turn-overs that plagued the mud match were largely due to Friday night's incessant downpour.

In addition to directing downfield motion, Loffredo was forced to guide his Bulldogs along the sidelines. "We were trying to get away from the middle all the time," he said. "The footing was very dubious."

Even though many linemen had difficulty holding their stances, the Wauconda defense had another strong performance. The Bulldogs deadlocked a Grant drive at the 1-yard line.

It was the Wauconda offense that opened the door for Grant. The flea flicker failed when Norm Niemo's return pitch never reached the hands of brother, quarterback Tony. Grant's Brian Catalano pounced on the loose ball at Wauconda's 16-yard line to begin the scoring drive.

A 3-yard run by senior Jim Wanhala produced the only points Grant would need. When quarterback Gary Glauser found sophomore Kevin Frystak open in the endzone, Grant's dogs never looked back, leading 8-0 with 4:18 remaining in the second quarter.

Through the elimination of some costly mistakes, Wauconda may've come out on top. "I don't think they'd have scored unless we'd fumbled," he said. "We beat ourselves."

The Wauconda Bulldogs, at 3-5, will close the season against visiting Marian Central Saturday (Oct. 26) at 1 p.m. The Hurricanes had a convincing 20-0 victory over Lake Zurich Bears last Saturday.

Potential Face Mask

Antioch defeated Stevenson 12-7 for a homecoming victory Oct. 19. The Sequoits are now 6-2 and on their way to the state playoffs. Here, an Antioch defender risks a potential face masking call. —Photo by Steve Young.

Sequoits Seek State In Key Viking Game

A close 12-7 win over Stevenson, the Sequoits, who now hold sole possession of second place in the North Suburban Conference, face a crucial game against Niles North at Antioch on Oct. 25.

A win or loss at this point will make the state playoff difference for both teams. The Sequoits are 6-2 and Niles North is 5-3, losing one game because of a strike.

"We went to the homecoming dance six hours too soon," said Sequoit Coach Steve Wapon in describing Antioch's weak start that allowed the Patriots to get on the scoreboard not too long after the kickoff.

It wasn't until eight seconds before halftime that Antioch climbed on the scoreboard after Pat Bruks ran two yards for a touchdown ending a 12-play, 94-yard drive that started on Antioch's own six-yard line.

The Sequoits and Bruks did it again with 4:47 left in the third quarter. Both conversions were no good.

"The defense that kept the Patriots to a gain of 112 yards for the whole game was the key to our win after that first big drive," said Wapon.

Antioch's Defensive Coordinator Mike Gorde gave plaudits to James Zophel for "playing a sound game." Zophel, Steve Hanson and Bob Johnson were responsible for the key interceptions that turned the tide crimson.

"You can't have a passing game (quarterback Mike DoBosh was 17 for 30, gaining 201 yards in the air, making his season completions 54 percent.) without

good up front blocking," said Wapon, giving due credit to center James Skinner, guards Johnson, Rick Echert, Steve Pappadakis and tackles Matt Humphreys and Ken White.

Offensively DoBosh who is at 977 yards for the season had a good day tossing to the balanced receiving of Chris Haley, 4-36; Bruks, 5 for 52; Rob Visee, 6-56 and Don Gunther, 3-53. Bruks had 33 carries for 99 yards.

Seek Third Win

The Johnsburg Skyhawks (2-4) will travel to Marengo Friday night to fight for a final conference win.

Johnsburg captured its second win of the season by defeating Grayslake 21-14. The Skyhawks staked an early first-quarter lead with Mike Sludak's interception catch and 70-yard touchdown run and Brian Frazier's extra point.

Frank Husak's 5-yard touchdown pass to Brian Hauck along with Frazier's extra point kept the Skyhawks up 14-0. At the end of the first quarter, the Skyhawks were 8 yards shy

of the goal line.

But the Skyhawks came back on the first play of the second quarter on an 8-yard touchdown pass from Husak to Ken Froehlig (Frazier's extra point) to finish up the scoring.

The Grayslake Rams came back in the second quarter to score two touchdowns, but came out on the short end of a final halftime 21-14 score.

LEGAL NOTICE OF PUBLIC HEARING

Public notice is hereby given that on November 14, 1985 a public hearing will be held before the President and Board of Trustees of the Village of Island Lake, Illinois (the "Village") at its regular meeting place in the Village, Village Hall, 3720 Greenleaf Avenue, at 8:00 p.m., regarding a plan to finance the acquisition, construction and equipping of a new residential rental apartment complex (the "Project"), which upon completion will contain approximately 18 residential rental units consisting of three six-unit buildings each with two bedrooms. The Project will be located on a parcel of land containing approximately 2 acres and situated within the Village at 4028 Roberts Road and to be known as the Sanctuary Apartments. Pursuant to the plan of financing the Village proposes to issue and sell its Multi-Family Housing Revenue Bonds (Sanctuary Apartments Project) in an aggregate principal amount not to exceed \$960,000 (the "Bonds") and lend the proceeds thereof to fund a loan to finance a portion of the costs of the Project and to pay certain costs incidental thereto and to the issuance of the Bonds. The Project will be owned by Parkway Bank and Trust Company, Trust No. 7036 for the benefit of Frank A. McCaslin and Judith C. McCaslin, residents of Barrington, Illinois (the "Owners").

Pursuant to the Village's powers under the Industrial Project Revenue Bond Act of the State of Illinois the Village is authorized to issue the Bonds and lend the proceeds thereof to provide the financing for the Project. The Bonds will not be general obligations of the Village or the State of Illinois or any political subdivision thereof and the principal of and interest on the Bonds will be payable solely from amounts received pursuant to and under the terms of the financing arrangements between the Village and the Owners. Neither the credit nor the taxing power of the Village or the State of Illinois or of any political subdivision thereof will be pledged for the payment of the principal of or interest on the Bonds.

The public hearing is required by the Tax Equity and Fiscal Responsibility Act 1982. Written comments may also be submitted to the Village Clerk at Village Hall, 3720 Greenleaf Avenue, Island Lake, Illinois until 5:30 p.m. on November 14, 1985. Additional information can be obtained from Frank A. McCaslin, P.O. Box 175, Wauconda, IL 60084.

Subsequent to the public hearing, the President and Board of Trustees of the Village will meet to consider approving the issuance of the Bonds.

Proposals are being requested by the Board of Commissioners of the Round Lake Area Park District for a per lineal foot unit price to supply and install 4" high and 5" high vinyl coated chain link fencing. All prices quoted must be guaranteed for a period of at least one year from date of bid acceptance. The lineal foot unit price can be figured on the basis of the Round Lake Area Park District having a minimum of 1000' installed. The fencing is to be installed at the Round Lake Area Park District's Renwood Country Club, Round Lake Beach, Illinois.

Specifications as follows: 6 ga. green vinyl coated chain link fabric (9 ga. steel core 2" mesh); 1 and 5/8" SS40 green vinyl coated top rail; 2" SS40 green vinyl coated line posts; 3" SS40 green vinyl coated end and corner posts. All posts are to be set 36" deep in concrete.

Bidder must be able to supply parts and service within forty-eight (48) hours. The Park District may accept the lowest qualified bidder but reserves the right to refuse all bids. The last day bids will be accepted is November 8, 1985 at 2 p.m. Bids will be opened at 2 p.m. at the Park District office. For further information call (312) 546-8558.

The Round Lake Area Park District, by ordinance, affirms the Illinois laws relating to prevailing wage preference to citizens on public works.

The Time Machine

en Years Ago: October 22, 1975

Antioch's homecoming queen, Robin Hunley, played two important roles last weekend. After being selected queen, she was the star of Saturday morning's homecoming parade, but during halftime of the football game she gave her regular performance as majorette for the Sequoit Marching Band. Halloween hours are set from 3 to 9 p.m. on Friday, Oct. 31. Only 20 percent of the potential voters turned out when the Dist. 34 bond referendum to build a new elementary building was turned down.

thirty Years Ago: October 27, 1955

The Chicago Ink and Research Co. factory will be moved into its new building in Sequoit Acres east of the Soo Line tracks. More than 15 mail boxes were wrecked at Morley's subdivision. Ghosts and goblins that usually travel at night will be found on Antioch streets when the Antioch Grade School pupils stage their annual Halloween costume parade.

Fifty Years Ago: October 24, 1935

The annual bombardment on Grass Lake was held when thousands of waterfowl hunters filled blinds and began blasting to announce the opening of the 1935 season. Antioch Legionnaires will hold their annual Armistice dinner-dance at the Pasadena Gardens, a mile north of Antioch. Eight large tracts, the majority of which are in northern Lake County east of Antioch, will provide homes for 53 Lake county residents as part of the Federal Subsistence Homestead plan. The work of removing three islands in Lake Marie off the shore of the Callifornia Ice company's subdivision on the north side of the lake was completed by Pergenz & Stearns, dredging contractors.

\$100,000 Saving On Club Purchase

By insisting that taxpayers pay the same price as private interests for Brae Loch Country Club, President Don Strenger of the Lake County Forest Preserve Dist. is being credited with saving the public \$100,000.

The purchase price of Brae Loch for public use has been fixed at \$1,250,000.

Escrows have been established with Chicago Title and Trust Co. to set the stage for a closing the week

of Nov. 4, according to county officials.

The established purchase price is less than two professional appraisals obtained by the county, one being tabbed at \$1,420,000 for the 158-acre, mid-county recreational facility and the other coming in at \$1,350,000.

Normal procedure in a public acquisition, it was learned, is to take the lowest appraisal as a starting point for negotiations.

In the case of Brae Loch,

however, Strenger said a private offer to owner Edwin Witwicki was known to be \$1,250,000. "I don't see why the taxpayers should pay any more," Strenger asserted.

Slate Interviews

Robert P. Neal, chairman of the Lake County Republican Central Committee, has announced that the executive committee will interview candidates who plan to run in the Republican Primary Election in March of 1986.

Although this follows the procedure of previous years in which candidates were first interviewed and then subsequently endorsements announced, this year a complete re-evaluation was made. Only after all alternatives were reviewed was the decision made to continue as in the past.

The committee will interview all candidates who have announced their intention of running for the following offices: U.S. Senate and House of Representatives, Illinois governor, Illinois attorney general, Illinois treasurer, Illinois Comptroller, Illinois Senate and House of Representatives, county-wide Lake County Offices, Lake County Board and Judges.

In announcing the interview program, Neal said

that in previous elections the interview procedure has proven to be invaluable in letting the party's committeemen know about the candidates who will be running in the primary, and that this year's program is expected to be equally important.

The interviews will be conducted by the executive committee of the Republican Central Committee, consisting of the township chairmen, officers and members-at-large. The interview process will take place at the Swedish Glee Club, 621 Belvidere St., Waukegan, on Nov. 2 and 9. All Republican committeemen and their active precinct workers are invited to attend the interviews and meet the candidates. The press is also invited to these interview sessions.

Candidates who plan to run for Republican nomination for any office in next March's primary election may receive full information about the candidate interviews by contacting Republican Headquarters in Waukegan, (312) 623-0235.

Slate Workshop

A workshop on political participation will be presented by the Lake County Women's Political Caucus Sunday, Oct. 27, at 1:30 p.m., at Coldwell Banker in Mundelein (at the intersection of Rtes. 45 and 176).

Participants will learn ways to become constructively involved in a political party or to work effectively as an independent; how to select and help elect the candidates of their choice.

An update on 1985 Illinois legislation affecting women will conclude the program.

Virginia Flester Frederick, state senator from Dist. 59 and Grace Mary Stern, state representative from Dist. 58, are

honorary co-chairs for the event.

Other workshop leaders and distinguished guests include Edna Schade, special assistant to the Governor for Women; Linda Januzzi Hess, Lake County clerk; Andrea Moore, Lake County board; Millicent Berliant, College of Lake County board of trustees; Gwen Seawright, Lake County Republican central committee secretary; and Barbara Monsor, Shields Twp. Democratic central committee chair.

A wine and cheese reception will follow the workshop. For information, call (312) 432-5612 or write P.O. 723, Highland Park, 60035.

On Thursday, Oct. 24, Round Lake Senior High School will present its 10th Annual Band-O-Rama. This is an indoor "Marching Band Spectacular," featuring the Round Lake Senior High School Panther Marching Band, flag corps and Pom-pom squad.

Under the direction of Dr. Darryl Jachens, Assistant Conductor Therese Wall and

announcer James Jordan, they will be performing featured selections from their pre-game shows and half-time shows. Pom-pom Adviser is Phyllis Siegal.

Doors open at 7 p.m., with the show beginning at 7:30 p.m. in the high school girls' gym. Admission is 50 cents per person, \$1.50 maximum per family.

Certify Lambin

Henia Lambin, R.N., head nurse of the Intensive Critical Care Unit, at Condell Memorial Hospital, has been certified as an Eneucation Technician.

The Lions of Illinois sponsor enucation courses as part of the organization's Eye Donor Registry program. Condell Memorial Hospital, a subsidiary of The Medical Center of Lake County, is one of 146 Eye Donor Centers that have been established state wide.

Holiday Inn Offers Chance To Win

Guests visiting the Holiday Inn (Gurnee) between now and the end of the year will have a chance to win annual vacations for the rest of their lives as part of a recently announced Holiday Inn national promotion.

The multi-million-dollar program is called "Win A Lifetime of Holidays from Holiday Inn...Where Good Service Is a Way of Life." Holiday Inns is distributing game cards for the promotion, which features a "Key to Service" theme, in major national magazines, through direct mail, and to guests at check-in.

To play, consumers match numbers on their game cards with numbers on similar promotion display materials at the Holiday Inn (Gurnee) or other participating Holiday Inn hotels to see if they have won one of more than 10,000 prizes to be awarded.

Grand prize in the "Lifetime of Holidays" promotion is a vacation trip for two at any Holiday Inn hotel in the world each year for the rest of the winner's life (up to \$10,000 per year).

First prize is vacation for two at any Holiday Inn hotel in the U.S., Canada, Mexico, or the Caribbean each year for the rest of the winner's life (up to \$5,000 yearly).

Second prize is a vacation anywhere in the continental U.S. each year for the rest of the winner's life (\$2,500 annual value). First-class

air-fare, full-size car rental and spending money are included in these prizes. In addition, 10,000 Holiday Inn Guest Certificates worth \$20 each will be awarded as third prizes.

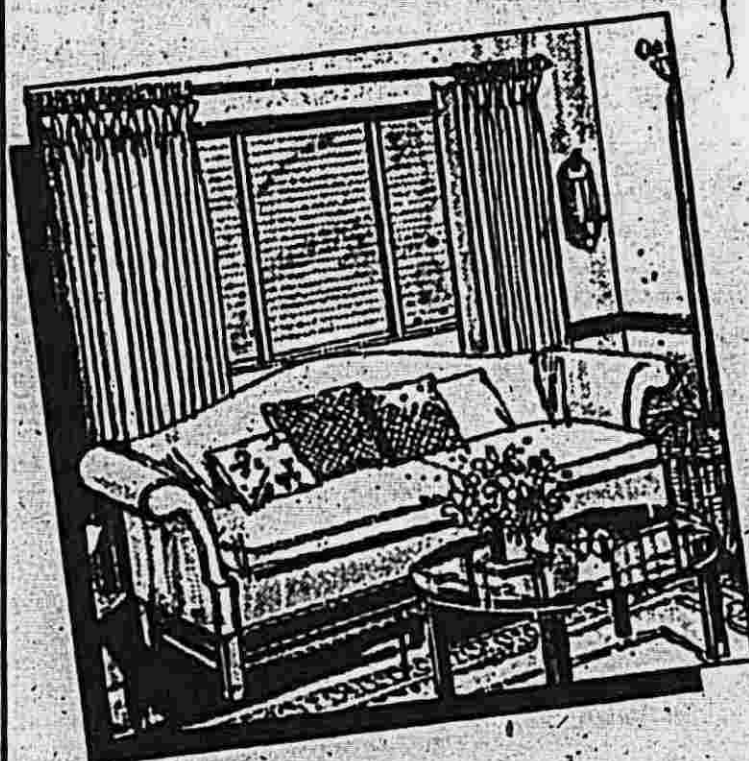

"The 'Lifetime of Holidays' game is a way of focusing the traveling public's attention on Holiday Inns' commitment to excellent customer service," said Richard Hedden, general manager of the Holiday Inn (Gurnee). "We encourage both the guests staying in our hotel and citizens in our community to visit our display. Not only will they find out whether they are winners, but they will give us a chance to show what we mean by good service at Holiday Inn hotels."

People whose game cards do not have matching numbers will have another chance to win the vacation prizes in a "second chance" drawing that is part of the "Lifetime of Holidays" promotion. Non-matching game cards should be sent to Lifetime of Holidays Second Chance, Box 9520, Westbury, N.Y. 11592 as entries in a random drawing for each major prize that will be held no later than Feb. 15, 1986.

Game cards can be obtained by guests at check-in at all participating U.S. Holiday Inn hotels, and through special inserts in major consumer magazines.

NEXT WEEK'S HOROSCOPE

BY SALOME

Aries (Mar. 21-Apr. 19) Turn confusion into confidence. Pay attention to everything that's said before you act. As full facts emerge, you gain insight into the situation and are better able to handle it.

Taurus (Apr. 20-May 20) Bright prospects are in the stars so long as you don't walk around with your head in the skies. Come down to earth and face facts. What you learn will help increase what you earn.

Gemini (May 21-June 20) The temptation to let things slide can lead to slipped opportunities. Gear up your ambitions and get out and try again. Past failures should act as guides to future successes.

Cancer (June 21-July 22) Instead of seeking assurances from those who may, themselves, feel insecure, rely on your own good senses for guidance. Mate feels left out. Don't neglect domestic matters.

Leo (July 23-Aug. 22) Work at untangling that confusing situation before you attempt any other project. Keep your mind open to suggestions. A former adversary offers advice that can help speed up progress.

Virgo (Aug. 23-Sept. 22) While others are quick to show anger at this time, you do best by soothing overheated emotions with cool, rational suggestions. An Aries becomes an admirer.

Libra (Sept. 23-Oct. 22) An occasional flareup helps let off steam, but too many explosions steam up your view of the problem. Keep your temper in check and you gain the advantage.

Scorpio (Oct. 23-Nov. 21) Say "whoa" to those cries of "woe." Avoid succumbing to self-pity. The doleful mood will pass more quickly when you adopt a sunnier outlook on your life.

Sagittarius (Nov. 22-Dec. 21) You'll be halfway towards your goals once you ask for the opportunity to prove yourself. This is no time to be shy. Supporters wait to offer aid.

Capricorn (Dec. 22-Jan. 19) The direction you want to go in may seem hidden. But cheer up. The way is made clearer as you make progress. Don't despair. You're traveling on the right track.

Aquarius (Jan. 20-Feb. 18) The tense atmosphere away from home eases as adversaries ask to discuss disagreements. Forgiveness follows all around as the air is finally cleared.

Pisces (Feb. 19-Mar. 20) Be wary of those who seem reluctant to answer all your questions. You need to know all the facts before you plunge into a new situation with hidden depths.

LEGAL
STATE OF ILLINOIS,
COUNTY OF LAKE, ss.
In the Circuit Court for the 19th Judicial Circuit, Lake County, Illinois.
Federal National Mortgage Association, a corporation, Plaintiff,

vs.
Samuel Stewart, et al., Defendants.
No. 85Ch532.
The requisite affidavit for publication having been filed, notice is hereby given you, Unknown Owners, defendant(s) in the above entitled suit, that the said suit has been commenced in the Circuit Court of Lake County, Chancery Division, by the said plaintiff against you and other defendants, praying for the foreclosure of a certain (Mortgage) conveying the premises described as follows, to-wit:

Lot 2 in Block 227 in Round Lake Beach, Greenview Addition, being a Subdivision of part of the South East

quarter of Section 18, Township 45 North, Range 10 East of the Third Principal Meridian, according to the plat thereof, recorded November 8, 1944, as Document 552786, in Book 30 of Plats, pages 3, 4, and 5, in Lake County, Illinois. Said property is commonly known as 1414 Woodridge, Round Lake Beach, Illinois 60073, and which said (Mortgage) was made by Nicholas A. Teramanti and Joanne Teramanti, Mortgagors, to The Lomas and Nettleton Company, as (Mortgagee), and recorded in the office of the Recorder of Deeds of Lake County, Illinois, as document number 1510499, and for other relief; that summons was duly issued out of the said Court against you, as provided by law, and that the said suit is now pending.

Now, therefore, unless you the said above named defendant(s), file your answer to the Complaint in the said suit or otherwise make your appearance therein, in the office of the Clerk of the Circuit Court of Lake County, in the Lake County Courthouse, Waukegan, Illinois, on or before the 12th day of November, 1985, default may be entered against you at any time after that day and a Judgment entered in accordance with the prayer of said Complaint. Dated, Waukegan, Illinois, October 10th, 1985.
